Thanks Lori – not a problem - I wasn't sure if attorneys could attend – I will let her know to take this off her calendar!

Hi Kim

Margaret forwarded this information. One question, I see the Karen Moynahan is planning on attending. I believe she is one of the City's attorneys; this group should not include attorneys who are acting in that capacity on this project. Please advise as to her role on the project.

Hi Lori,

Here's a complete list of the City's intended attendees for Monday's meeting.

Do we have a draft agenda yet? I have been in meetings nonstop for several days so if I missed an email, I apologize.

Thanks,

Margaret

Hi Josh, Kim and Peggy,

Lori Cohen expects to send a draft agenda out tomorrow. I am not sure which of the three of you I should communicate with about this meeting so I am including you all on this email.

Lori would like to know who will attend this meeting for the City. Based on an email from Josh, I have advised her that the Mayor and Commissioner Fish will be there. If there are any changes to this, or others that will attend for the City, please let me know.

Thanks,

Margaret
